Dear Parents and Carers,

Exciting news! The bouncy castles will be back on Tuesday!

After the unfortunate shenanigans for the bouncy castle company at the Summer Fair last week, we are very pleased to confirm that they will be returning, with all 7 inflatables and working generators, during the school day on Tuesday 15<sup>th</sup> July!

The children will be given a few slots throughout the day so that we really maximise the amount of time that the children have to bounce around. At present, the weather isn't looking particularly great but, as long as it is safe to do so, we'll carry on regardless!

**All children are welcome to wear their PE kits on Tuesday** if they'd like and we ask you to ensure that they're wearing socks too!

As this is now during the school day and parents won't be on the premises, **we ask that all parents complete the link below** which confirms that they give permission for their child to go on the inflatables, under the supervision of school staff.

If you hadn't already bought a wristband via ParentPay or at the Summer Fair on the day, please head over to ParentPay to make a donation of £4. If you have already paid, it may still appear on your child's ParentPay account again but please don't pay twice!

Children who don't attend Nursery on a Tuesday afternoon are welcome to come along at 2:40 to have a go on the inflatables. We ask that parents remain with the children for this session.

If you have any questions, please don't hesitate to get in touch with the school office.
