Dear parents/carers,

We hope you have had a lovely summer.

For those children who are not attending the upcoming residential trip next week, we are delighted to share that a fun, varied, and engaging week has been planned for them here at school. The activities have been thoughtfully designed based on the children's own feedback before the summer, ensuring they have an enjoyable week which will include activities such as cooking, art, sports, gardening and more. The children are welcome to wear their school PE kit throughout the week.

Mrs Pouney will be the lead staff member overseeing the week's activities. If you have any questions or concerns, please don't hesitate to contact the school office, who will be happy to help.

We look forward to hearing about their fantastic week when we return from the residential.

Kind Regards,

Sarah Woodward and Amy Brazier
