

Dear Parents/Carers,

We are thrilled to invite you to one of the most exciting highlights of the Year 5 calendar - our **Titanic Exhibition!** The children have been working incredibly hard this term, diving deep into the world of the RMS Titanic, and we can't wait for them to share their learning with you.

On this day, the children are invited to come into school wearing **fancy dress as a Titanic passenger** - they could choose to come in as someone from first, second or third class (or even a member of the crew!). They will spend the morning taking part in Titanic themed activities, finding out whether their Titanic models (mentioned in our topic homework) float or sink and preparing for their very own exhibition, which you are all invited to attend!

Our exhibition will showcase all of the incredible work that the children have produced throughout this half term! This will take place in the school hall on **Thursday 26th February 2pm-3pm**. Each child will take on the role of a museum lead, guiding you through the exhibits and confidently presenting the models, artwork, writing and research they have created throughout this topic.

To make the exhibition enjoyable and manageable, we ask that 2-3 family members attend for each child. This helps keep the room comfortable while allowing you to fully experience the incredible work the children have produced

This event is genuinely a standout moment in Year 5 - the children absolutely love sharing their knowledge and it's always amazing to see how proud they are of what they've achieved. We are sure you'll leave feeling just as impressed and inspired as we do.

Please mark the date in your diary.

We can't wait to welcome you aboard!

Year 5 team 😊
