

Dear parents and carers,

The children and I are loving our dance already...I am sure they are coming home singing and dancing along to 'Golden' from K-Pop Demon Hunters!

On **Thursday 26<sup>th</sup> March**, we will be performing our dance at the Wyre Forest School Sport Partnership Dance Showcase. This takes place at a local school during school hours and we travel via coach. For the children who took part last year, they will know just how exciting and special this event is. We get to showcase all our hard work and talent, as well as support other schools in our community. Unfortunately, parents and carers cannot attend this event but don't be disappointed as closer to the time we will invite you in for a mini showcase in the hall. I will send details regarding this closer to the time.

For the performances, we would really appreciate for you to provide a costume inspired by Golden in the theme colours of black, white and gold. These do not have to be anything elaborate, please do not feel like you have to buy a completely new costume. Your child could wear: leggings, shorts, skirt, tutu, short sleeve top, long top, crop top etc in black, white and gold. Please no jewellery, wigs or things which may fall off/distract the children, they need to be able to dance their best. On the day, we will be dancing barefoot. Please can your child bring their costume to dance club on Wednesday 11<sup>th</sup> March for a rehearsal.

Please let me know if you have any questions! My email address is:
