Dear Reception Parents and Carers,

### Egg Allergy Awareness

We initially sent out information in September but just wanted to raise awareness again that a child in our Reception year group has a severe allergy to eggs. The child is allergic to both raw and cooked eggs, including when used to make other items, like cakes or biscuits. This includes egg touching her skin, as well as when it's ingested.

We ask that you bear this in mind when thinking about the different foods you pack for your child's lunches. If you have included an item that is primarily egg-based, such as a boiled egg, scotch egg or egg sandwich, please let a member of the Reception staff know so that we can ensure that they are not sat near to the child with the allergy during lunchtime.

If you have any questions, please don't hesitate to get in touch.

Thank you in advance for your understanding.

Kind regards,

A handwritten signature in black ink, appearing to read 'Amanda Bradley', is written over a light blue horizontal line.
