

Friday 12th July 2026

Dear Parents and Carers,

Although we never want to wish the year away, we are now looking towards our transition sessions and I would like to take this opportunity to share some staffing updates with you.

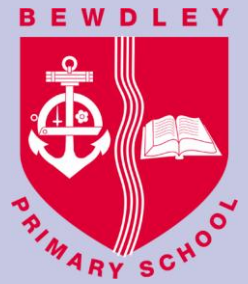

As you will see from the new staffing structure below, there are some key names that are missing from the usual BPS team. After 29 years of dedicated service to our school, Mrs Tench has decided that the end of this academic year is the right time for her to begin a new chapter. Mr Pritchard and Miss Jones are both venturing into the world of independent education whilst Mrs Pritchard is taking on a wider role in a new school. We shan't begin our official goodbyes just yet but I've no doubt that everyone will join me in wishing them well in their new endeavours.

While it is always difficult to say goodbye to valued friends and colleagues, we are also excited to welcome new members of staff who will be joining our school community. Miss Holmes, who has been training at the school this year, will be joining us in Year 3 in Potter class. Miss Boddice, who you may also recognise as she trained at the school a few years ago, will be teaching in Blyton class in Year 4. We're also very pleased to welcome Miss McComb who will be teaching in Year 5 in Lewis class.

Our transition days this year will be on Tuesday 30th June and Wednesday 1st July when the children will find out who their new teacher is and which other children will be in their class.

Amanda Bradley
Headteacher
Bewdley Primary School
