

ENGLAND v MEXICO

Monday 6th July

Kick off in school at 8:30am

PLEASE TRY TO KEEP THE SCORE A SECRET!

Conflicted about letting your children watch the England v Mexico match on Monday at 1am?

Will your child *want* to watch the football but will be fast asleep?

We'll be showing the football at 8:30am on Monday morning so that children can have the best of both worlds – sleep and football! In an attempt to make this as exciting as possible, we're asking that you try to keep children away from the score so that they can enjoy all the highs and lows as they happen.

For those who don't want to watch the football, other activities will be provided. The start of Year 3's Victorian Day will be delayed but they'll still get to take part in all of their planned activities.
