Music lessons at BPS

We are very fortunate at Bewdley Primary School that there are a number of specialist music teachers that come into school on a weekly basis to teach their instrument.

Lessons take place weekly, during the school day and are invoiced by the music teacher directly to parents, payable half a term in advance.

A 20-minute lesson is £13 and some teachers offer shared lessons (two children having a lesson at the same time) which is £8 each for 20 minutes. There is a 50% discount for those children who benefit from Pupil Premium.

In addition to instrumental lessons there are several music after school clubs that children can take part in. These include orchestra, singing club and recorder club.

To sign up for lessons and for more information please email Mrs Price at music@bewdleyprimary.worcs.sch.uk

For more details about the music teachers please visit the school website <https://www.bewdleyprimary.co.uk/page/?title=Music+Lessons&pid=96>
