Dear Year 1 Parents and Carers,

Egg Allergy Awareness

Many of you will already be aware, but I wanted to remind families at the start of the new school year that a child in our Year 1 cohort has a severe allergy to eggs.

The child is allergic to both raw and cooked egg, including egg used as an ingredient in foods such as cakes and biscuits. A reaction can occur not only if egg is eaten, but also through skin contact.

We therefore ask that you bear this in mind when preparing your child's packed lunch. We are not asking families to avoid all products containing egg; however, if you include an item that is primarily egg-based, such as a boiled egg, Scotch egg or egg sandwich, please let a member of the Year 1 staff know. This will allow us to make appropriate arrangements at lunchtime and ensure that your child is not seated close to the child with the allergy.

We also remind children not to share or swap food and encourage careful handwashing before and after eating. These simple measures help us to keep everyone safe while allowing children to continue to bring a varied packed lunch to school.

Thank you for your understanding and support in helping us to keep all of our children safe.

If you have any questions, please don't hesitate to get in touch.

Kind regards,

A handwritten signature in black ink, appearing to read 'Amanda Bradley', with a stylized flourish at the end.
