3:00 – 5:00

BEWDLEY
PRIMARY
PTFA

Late Summer Fair

Everybody Welcome

For the more seasoned parents amongst you, you'll know all about Bewdley Bucks! For everyone else, they're our simple way of paying at school events when you haven't got cash to hand.

How does it work and what do you need to do?

Bewdley Bucks can be ordered on ParentPay. They can be used instead of cash payments at our Summer Fair. (We absolutely do take cash, but we know that lots of people don't have cash to hand!)

Each Bewdley Buck is worth 50p. This is generally the price of a go on most of the stalls. You'll get paper Bucks in exchange and these can then be spent however you would like!

If you pre-order on ParentPay, children will be given their Bucks before they leave school on Friday.

You can still buy Bewdley Bucks on the day, but you will have to queue to get them!

Just to be clear, you don't have to have Bewdley Bucks to buy things – cash is very much still accepted! However, you won't be able to pay digitally on the day for most things. Food and refreshments can be purchased using digital payment methods.

You can pre-order Bewdley Bucks on ParentPay up until 10am on Friday morning!

Wristbands are still for sale on ParentPay until the end of the day on Thursday. If a child buys a wristband in advance, they can then queue up and go on our selection of inflatables as many times as they'd like! Again, wristbands will be available to buy on the day, but you will have to queue up!
