

Election Week 2026

The week beginning Monday 21st September is Election Week at Bewdley Primary School! Take a look below at how children can get involved in shaping the upcoming academic year.

Pupils are welcome to apply for as many things as they'd like, as long as they are eligible to do so. If school can help with any necessary resources, just ask your child's class teacher. All adults in school are able to help with advice or guidance if needed!

School Council

Who can apply: All children from Years 1-6. Children who have previously been on School Council are welcome to apply again. There will be one representative per class.

What qualities are we looking for?

- ✓ Role models
- ✓ Responsible
- ✓ Communication skills
- ✓ Teamwork
- ✓ Good listener

What do children need to do: Explain to their class why they're the best person to represent their class on the school council. They'll need to be able to give examples to their class of how they follow the school's values. How they choose to present this is completely up to them but speaking clearly and being confident about what they're saying is always a vote winner!

When's the deadline: Voting will take place on Wednesday 23rd and Thursday 24th September

Eco Committee

Who can apply: All children from Years 1-6. Children who have previously been on the Eco Committee are welcome to apply again. There will be one representative per class.

What qualities are we looking for?

- ✓ Care about the environment

- ✓ Problem solver
- ✓ Teamwork
- ✓ Enthusiastic

What do children need to do:

Persuade their class mates that they will be a proactive and positive representative for their class to make our school as eco-friendly as possible. Being passionate and giving some of their own ideas about how they think we can help to save the planet are always well received!

When's the deadline: Voting will take place on Wednesday 23rd and Thursday 24th September
