Tuesday 22nd September 2026

Dear Parents and Carers,

We have been contacted by St. Anne's Primary School regarding an incident that occurred this morning which involved one of their pupils whilst they walked to school.

Two men approached a pupil near the school and asked them several questions about the local area. The matter has been reported and is being followed up.

There is no information to suggest that there is a wider risk at this time; however, we would appreciate everyone remaining vigilant when travelling to and from school.

Please remind children to stay with friends or adults where possible, not to engage with or go anywhere with adults they do not know and to tell a trusted adult straight away if anything makes them feel uncomfortable or unsafe.

If you notice anything unusual or concerning around the school or on the journey to and from school, please let us know so that we are aware and can follow it up appropriately. If you witness anything that you believe requires an immediate response, please contact the police directly.

Kind regards,

Amanda Bradley
Headteacher
