

Wednesday 7th October 2026

Dear Parents and Carers,

We are delighted to have been invited to take a group of children from Bewdley Primary School to Croome for a very special day on Wednesday 14th October. Croome is a beautiful National Trust property near Worcester, with extensive parkland, gardens and a historic house. It is also home to fascinating RAF history and offers lots of opportunities for families to explore, play and enjoy the outdoors.

Croome is currently developing a new play area and our children have been invited to work with Earth Wrights, the company designing and building it, to help test some of their ideas. We thought that our School Council, House Captains, Wellbeing Squad and Eco Committee would be the perfect people to help!

During the day, the children will take part in a range of play-based activities and challenges, exploring different ways to play and helping the designers understand what children actually want from the new space. Their ideas, experiences and feedback will help to shape the final play area – so this is a genuine opportunity for our children to have a say in something that will be enjoyed by families for years to come!

We are hoping to take approximately 40 children, with children working in two age-appropriate groups during the day. While one group works with the Earth Wrights team, the other will take part in an additional activity at Croome, such as exploring the grounds, visiting the house or RAF museum, or completing one of Croome's activity trails. We will arrive at Croome at approximately 10:45am and leave at approximately 2:30pm so will be back at school a little later than normal – around 3:30pm.

Children will need to bring:

- a packed lunch and refillable drink
- a waterproof coat, just in case
- suitable footwear for spending time outdoors
- black joggers with a school jumper/hoodie

As places are limited, **please click on the link to give permission** for your child to take part. It also asks whether you give permission for your child to appear in photos. Please be aware that if you do so, these may be used for both Croome and Earth Wrights' promotional material.

We think this will be a fantastic opportunity for our children – not only to enjoy a day at Croome, but to know that their ideas could genuinely influence the creation of a brand-new play space. Please don't hesitate to get in touch if you have any further questions.

Many thanks,

Miss Bradley
